https://github.com/Tasmii   https://www.linkedin.com/in/tasmiyailahi/

Adept B.Tech. CSE student skilled in Full Stack Web Development, employing the MERN stack and Python programming. Passionate about UI/UX design, blending technical expertise with creative flair seamlessly.

SKILLS

- **Programming Languages**: JavaScript, HTML, CSS, Python, Java, SQL
- **DBMS**: MySQL
- **Tools/Frameworks:** React.js, Node.js, Express.js, React Native, Django, Git & GitHub.
- **Problem Solving:** Proficient in pinpointing and resolving challenges throughout project development, I bring hands-on experience in tackling diverse problems on platforms such as LeetCode. My expertise lies in data structures and algorithms implemented in Python, showcasing a robust problem-solving capability.
- **Communication**: Strong communicational skills in English and Hindi.

ACADEMIC PROJECTS

100 Python Projects:

(https://github.com/Tasmii/100-Days-of-Code-The-Complete-Python-Pro-Bootcamp-for-2023)

- Maintained a diverse GitHub repository with Python projects, spanning games (Pomodoro, Snake, Ping Pong) and utilities.
- Demonstrated commitment to continuous learning via the 100 Days of Code challenge, showcasing coding discipline.
- Showcased versatile and proficient Python development skills, emphasizing ongoing improvement.
- Proactively expanding the repository with new projects to stay updated with evolving Python technologies.

Polls Application Project:
(https://github.com/Tasmii/Polls-Application-Django-Project-.git)

- Created a dynamic Polls Application using Django, highlighting full-stack proficiency in HTML, CSS, Python, and SQL.
- Designed an intuitive frontend for an enhanced user experience.
- Demonstrated expertise in Django for efficient backend development.
- Employed SQL for secure and seamless database integration.

CERTIFICATIONS

- ❖ Python & Django - Summer Training Program from Cipher Schools, July 2023
- ❖ The Complete 2023 Web Development Bootcamp, Udemy.
- ❖ The Complete Data Structures and Algorithms Course in Python, Udemy.

EXTRA CURRICULAR ACTIVITIES

Gear Up Season-2, LPU| Hackathon, LPU(2023)

- ♦ Key contributor in Gear Up Hackathon, a precursor to the Smart India Hackathon.
- ♦ Developed the backend of the website using Python.
- ♦ Successfully qualified in collaboration with a team at the college level.
- ♦ Significantly enhanced skills in backend development and build networking.

Psyche, LPU | College Organization, LPU(2022)

- ♦ Actively served as a content creator and graphic designer for our college organization, showcasing creative and communication skills.
- ♦ Demonstrated versatility by taking on the role of an event manager, successfully coordinating and executing various college events conducted by the organization.

EDUCATION

- ❖ Bachelor of Science in Computer Science

  Lovely Professional University, Jalandhar [2021-2025]

- ❖ XII

  NIOS, Delhi [2020]

- ❖ X (CBSE)

  Dawn Washco School, Mau [2017]
